

CLEAN ELECTIONS. YOU CAN RUN.

What is a Participating Candidate?

A participating candidate is an individual who has decided to run in 2018 for a Statewide office or the Legislature, agrees not to accept special interest monies and adheres to the Citizens Clean Elections Act and commission rules. In return, the participating candidate will receive funding from the Citizens Clean Elections Fund. In order for a candidate to receive funding, the participating candidate must collect a specified number of \$5 Qualifying Contributions from registered voters within his or her district for a legislative candidate or registered voters in Arizona for a Statewide candidate.

Limitations Applicable to Participating Candidates
